Notice: The certificate is subject to terms and conditions overleaf. Any significant changes in design or construction of the product, or amendments to the Directive or Standards referenced above may render this certificate invalid. The product liability rests with the manufacturer or his representative in accordance with Council Directive 96/98/EC, as amended.

The Mark of Conformity may only be affixed to the product and a Declaration of Conformity may only be issued when the production/product assessment module referred to in the council directive, is fully complied with.

If any person suffers loss or damage which is proved to have been caused by any negligent act or omission of Det Norske Veritas, then Det Norske Veritas shall pay compensation to such person for his proved direct loss or damage. However, the compensation shall not exceed an amount equal to ten times the fee charged for the service in question, provided that the maximum compensation shall never exceed USD 2 million. In this provision "Det Norske Veritas" shall mean the Foundation Det Norske Veritas as well as all its subsidiaries, directors, officers, employees, agents and any other acting on behalf of Det Norske Veritas.

EM

Cert. No.: MED-B-3047
Case No.: EC-FP-101
File No.: A1/3.18b

Product description

"Renopur RT 990 paint system"
consisting of water based urethane-acrylic lacquer, quantity 50- 55 g/m² .

Applications/Limitations

Low flame-spread surface material, not generating excessive quantities of smoke nor toxic products in fire.

"Approved for use on metallic surface with thickness of at least 2,25 mm (IMO MSC/Circ.1004)."

Each product is to be supplied with its manual for installation and use.

Type Examination documentation

Test reports: No. RTE2278/02 and RTE2299/02 both dated 4 July 2002, from VTT Technical Research Centre of Finland.

Tested according to IMO FTPC Part 5 and Annex 2 Item 2.2.

Marking of product

The product or packing is to be marked with name of manufacturer, type designation and Mark of Conformity (see below).

Mark of conformity

The manufacturer is allowed to affix the Mark of Conformity  according to Article 11 in the Council Directive 96/98/EC on Marine Equipment and issue a Declaration of Conformity, only when the module D or E or F of Annex B in the same directive is fully complied with.

Module D: The quality system for production and testing shall be approved by the Notified Body.

Module E: The quality system for inspection and testing shall be approved by the Notified Body.

Module F: Compliance of the products to type as described in this EC Type-Examination Certificate must be verified by the Notified Body who also shall issue a Certificate of Conformity.
